High-Security Van Locks

4 MILLION UK VAN OWNERS NEED *REAL EXTRA SECURITY*

With tool theft and van break-ins on the rise, **UK van owners want real extra security.** Disec high-security locks are exactly what you need to **help them protect their livelihood.**

Enhanced Security

Magnetic operated and made of stainless steel, Disec locks are extremely tough and resistant to most common forms of attack.

Easy To Fit

You will be able to easily fit the Disec locks to your customers' van. And because you won't need any special preparation, you will quickly be ready for your next job.

Repeat Business

You will maximise your sales. With a security card and an innovative key design, your customers will keep coming back to replace a lost key or get a spare.
