## HOW TO USE THE NEW UPGRADE KIT **KEYPRINT® TO UPDATE YOUR CONDOR MINI** SECURITY LTD **KEY CUTTING MACHINE**

Updating your Xhorse Condor Mini is really easy and allows you to enjoy the latest features and stay ahead of your competitors.

Step 1 Turn on your Xhorse Condor Mini and connect it to your PC or laptop with the USB cable provided. You can find the USB socket on the back of your machine.

- Go to http://www.keyprint.co.uk/xhorse-condor-mini-key-cutting-machine •
- Log in with your account details to access the product files section at the bottom of the product page.
- Use the software download link to download the Xhorse Update Tool. •
- Open the file on your PC or laptop and click on UpgradeKit.exe to run the update tool.
